Landon Mayer: Streamer Fishing

Born and raised in Colorado Springs, CO, Landon Mayer grew up exploring and learning from the vast landscapes of the South Platte River and beyond. Upon reaching adulthood, he decided that fly fishing was to become more than a lifestyle, it would be a way of life, embarking on his nearly two decade journey as a fly fishing professional.

Mayer enthusiastically teaches and demonstrates his techniques and on-river knowledge to fellow anglers year round. He shares these tips and secrets in his books **101 Trout Tips: A Guide's Secrets, Tactics and Techniques (new for 2014)**, **Colorado's Best Fly Fishing**, **Sight Fishing for Trout**, and **How to Catch the Biggest Trout of Your Life**, in addition to two DVDs: **Landing the Trout of Your Life** and **Weapons of Bass Production**, both of which also feature John Barr. Landon is a contributing writer for *Fly Fisherman* and *High Country Angler* magazines. His work has also been featured in *Fly Rod & Reel*, *American Angler*, *Southwest Fly Fishing*, *Field & Stream* magazines.

Besides Simms, Mayer is a Pro team member for, Ross/Abel Reels, Winston Rod Co., Scientific Anglers, Smith Optics, Fish Pond, Yeti Coolers, Casio Pro Trek watches, and an Umpqua Feather Merchants royalty tier.

January Raffle We have a Major raffle prize at January Meeting, an **Orvis rod and a Hydros Reel!** These new rods and reels are beautiful. Steve was able to obtain a streamer rod. I have not tried the rod but I have examined this new model of a large arbor reel. This really is a beautiful, state of the art reel, that would be great fun to fish with. Be sure to plan to buy raffle tickets.

December Holiday auction. The Holiday party and auction was a great success. Pizzas and sandwiches were plentiful and excellent. This year's auction featured a good number of first class rods and reels that were auctioned off as well as an unusual number of classic fly fishing books.

Club News
