Barry and Cathy Beck Dry Fly Strategies

Barry and Cathy Beck will be our presenters this Thursday. They are definitely the most famous couple in American fly fishing. Cathy Beck has been pictured in more fly-fishing magazines than any woman in history. Most of those pictures were taken by her husband, Barry, who is both an expert fly fisherman and outdoor photographer. This Thursday they will talk about advanced dry fly fishing techniques. It promises to be an exciting and informative presentation.

Annual Dues Reminder!

If you have not yet paid your dues, dues are due. Annual club dues are fifty dollars. They remain the same as last year. Unfortunately, club costs are rising and our bank account has gone down. We are maintaining our current level of dues for this year and will watch the budget! Don't forget to buy raffle tickets!

Last Meeting.

Don Douple

Don Douple gave a very informative talk about fishing for wild trout in eastern pa. Among the streams Don discussed was the Little Lehigh, the Monocacy, and the Bushkill. Don also demonstrated his specialized nymph fishing techniques.

The club would also like to thank Steve and Pete for the excellent flies they tied last month.

Cast and Blast Day.

Cast and Blast day was success. Club members gathered at the main parking area at Beltzville Lake park. Members choose to focus on the pheasant hunting and not too much fishing was done.

December meeting. Annual club action. Start thinking now about what you might want to auction off. Don't forget to separate your auction materials into items you are donating to the club to sell and those which you are selling for yourself. The greatly benefits from items that members donate to the auction.
