# Holiday Party and Annual Club Auction!

December 21st. is our annual club Holiday party and Auction. **The party and dinner starts at 6 P. M.** so that there is plenty of time to eat and share stories. This is a great way to end the year and start planning for the coming spring.

**The auction** will start promptly at 7 P.M. Sam, as usual, will be the auctioneer/master of ceremony, providing both insightful commentary and witty off-color analysis of the many items for auction. Each year there are excellent books, rods, reels and fly tying material available at the auction. It is also a great excuse to recycle older rods, reels, lines etc. and open up space for new purchases.

Please review the fishing materials that you might consider auctioning off. **Come early so that you can display the items and have members review them.** I highly recommend coming early and reviewing the items. Often there are great deals that you need to see to appreciate. Unless you review the items ahead of time, it is difficult to decide what items are most worth bidding on.

The auction is limited to items related to fishing and camping related items.(no golf clubs). Also the Plymouth Center has a very strict policy about alcoholic beverages and guns. They are not allowed!

**Donations to Club:** Decide which items you want to donate to the

club and which you want to auction on consignment. Items to be donated to the club should be bought to the front of the room. They don't need to be tagged.

Items to be auctioned on consignment need to be clearly tagged and placed on side of the room If they are for consignment you should have your name on it and what your minimum bid is. Attach a tag to the item. (Masking tape works well) Be sure to bring all the items early so the auction can start on time and members can see what is up for auction. The club charges a 10% commission on consignment sales.

**Half and Half raffle.** This month instead of our usual raffle we will have a half-and-half-raffle. This will be instead of our usual raffle of fly fishing equipment. The one winner of the raffle will get half the money in the pot.!
